24. UN Women National Committee Australia is a member of the Public Fundraising Regulatory Association (PFRA). The PFRA is the self-regulatory body for face to face fundraising in Australia. Face to face fundraising is one of a number of methods used by charities across Australia to generate funding. It provides significant funding that allows charities to carry out vital services for local communities and to help solve some of the greatest global issues. The role of the PFRA is to make sure that the right balance is maintained between the duty of charities to ask for donations and the right of the public to experience high standards of behaviour from our members' fundraisers. See www.pfra.org.au for more information.
